

ABRDN GLOBAL DYNAMIC DIVIDEND FUND
1900 Market Street, Suite 200
Philadelphia, PA 19103

NOTICE OF SPECIAL MEETING OF SHAREHOLDERS
To be held on November 9, 2022

TO THE SHAREHOLDERS:

NOTICE IS HEREBY GIVEN that a special meeting (the “Special Meeting”) of shareholders of abrDN Global Dynamic Dividend Fund (the “Fund”) will be held in a virtual format on November 9, 2022 at 10:30 a.m. Eastern Time.

The purpose of the Special Meeting is to consider and act upon the following proposal (the “Proposal”), and to consider and act upon such other matters as may properly come before the Special Meeting or any adjournments or postponements thereof

To approve the issuance of additional common shares of beneficial interest of the Fund in connection with the reorganization of Delaware Enhanced Global Dividend and Income Fund and Delaware Investments[®] Dividend and Income Fund, each a closed-end fund, with and into the Fund.

The Proposal is discussed in greater detail in the enclosed Proxy Statement. You are entitled to notice of, and to vote at, the Special Meeting if you owned shares of the Fund at the close of business on August 11, 2022 (the “Record Date”). If you virtually attend the Special Meeting, you may vote your shares electronically at that time. Even if you expect to attend the Special Meeting, please complete, date, sign and return the enclosed proxy card in the enclosed postage-paid envelope or authorize your proxy by telephone or through the Internet.

All shareholders are requested to vote by proxy over the Internet, by telephone or by completing, dating and signing the enclosed proxy card and returning it promptly.

The Special Meeting will be a completely virtual meeting of shareholders, which will be conducted solely online via live webcast.

The Fund wants to assure its shareholders of its commitment to ensuring that the Special Meeting provides shareholders with a meaningful opportunity to participate, including the ability to ask questions of the Fund’s Board of Trustees and management. To support these efforts, the Fund will:

- Provide for Special Meeting attendees to begin logging into the Special Meeting at 10:00 am Eastern Time on November 9, 2022, thirty minutes in advance of the Special Meeting.
- Permit participating shareholders to submit questions via live webcast during the Special Meeting by following the instructions available on the meeting website during the Special Meeting. Questions relevant to Special Meeting matters will be answered during the Special Meeting, subject to time constraints.
- Post responses on the Fund’s webpage to questions relevant to Special Meeting matters that are not answered during the Special Meeting due to time constraints.
- Provide the ability for participating shareholders of record to vote or revoke their prior vote by following the instructions available on the meeting website during the Special Meeting. Shares for which a shareholder is the beneficial owner, but not the shareholder of record, also may be voted electronically during the Special Meeting but only if the shareholder obtains a signed proxy (a “legal proxy”) from the record holder (stock brokerage, bank, or other nominee) giving the shareholder the right to vote the shares.

Registering to Attend the Virtual Special Meeting as a Beneficial Owner

We will admit to the Special Meeting (1) all shareholders of record on the Record Date, (2) persons holding proof of beneficial ownership at the Record Date, such as a letter or account statement from the person’s broker, (3) persons who have been granted proxies, and (4) such other persons that we, in our sole discretion, may elect to admit. If you owned shares as of the Record Date and wish to participate in the Meeting, you must email AST Fund Solutions, LLC (“AST”) at attendingameeting@astfinancial.com or call AST toll-free at 1-800-431-9643, in order to register to attend the Meeting, obtain the credentials to access the Meeting, and verify that you were a shareholder on the Record Date. If you are a record owner of shares, please have your control number on your proxy card available when you call or include it in your email. You may vote during the Meeting by following the instructions that will be available on the Meeting website during the Meeting. If you hold your shares through an intermediary, such as a bank or broker, as of the Record Date, you must provide a legal proxy from that institution in order to vote your shares at the Meeting. You may forward an email from your intermediary or attach an image of your legal proxy and transmit it via email to AST at attendingameeting@astfinancial.com and you should label the email “Legal Proxy” in the subject line. If you hold your shares through an intermediary as of the

Record Date and wish to attend, but not vote at, the Meeting, you must verify to AST that you owned shares as of the Record Date through an account statement or some other similar means.

Requests for registration must be received by AST no later than 5:00 p.m., Eastern Time, on November 8, 2022. You will then receive a confirmation email from AST of your registration and a control number that will allow you to vote at the Meeting.

QUESTIONS & ANSWERS

The following is a summary of more complete information appearing in the enclosed Proxy Statement or incorporated by reference into the Proxy Statement. You should carefully read the entire Proxy Statement, including the Agreement and Plan of Reorganization (the “Reorganization Agreement”), a form of which is attached as Appendix A thereto, because it contains details that are not in the Questions and Answers.

Q: Why is a shareholder meeting being held?

A: You are being asked to approve the issuance of additional common shares of beneficial interest (“common shares”) of abrdn Global Dynamic Dividend Fund (the “Fund”) in connection with the transfer of all of the assets of Delaware Enhanced Global Dividend and Income Fund (“DEX”), a Delaware Statutory Trust, and Delaware Investments® Dividend and Income Fund (“DDF”), a Maryland corporation, (each an “Acquired Fund” and, together, the “Acquired Funds”), with and into the Fund in exchange solely for newly issued common shares of beneficial interest of the Fund (although cash may be distributed in lieu of fractional shares), the assumption by the Fund of all or substantially all liabilities of each Acquired Fund, the distribution of common shares of beneficial interest of the Fund to the shareholders of each Acquired Fund and complete liquidation of each Acquired Fund (each a “Reorganization” and, together, the “Reorganizations”). The purpose of this proposal is to enable the Fund to have a sufficient number of common shares to issue to the Acquired Funds to effect the Reorganizations, each of which is expected to occur in the first quarter of 2023.

Although the Fund will continue its legal existence and operations after the Reorganizations, the rules of the New York Stock Exchange (on which the Fund’s common shares are listed) require the Fund’s shareholders to approve the issuance of additional common shares in connection with the Reorganizations.

As described more fully in the Proxy Statement, the Acquired Funds and the Fund (each a “Fund” and, collectively, the “Funds”) are each a closed-end management investment company with similar investment objectives, principal investment strategies and principal risks, with some differences. Please see “Comparison of the Funds” in the Proxy Statement for additional information. The Fund would be the accounting and performance survivor of each Reorganization. The Fund as it would exist after each Reorganization is referred to as the “Combined Fund.” No changes to the investment objective, strategy, adviser, portfolio management team, fees, fund structure or policies of the Fund are being made in connection with the Reorganizations, except for the extension of an expense limitation agreement capping certain of the Fund’s expenses for one year from the date of the Reorganizations or June 30, 2024, whichever is later, as described further below.

Separately, the shareholders of the Acquired Funds are being asked to each approve a Reorganization Agreement providing for each Reorganization.

The Reorganization of one Acquired Fund is not contingent on the approval of the other Acquired Fund's shareholders (i.e., a Reorganization of one of the Acquired Funds, if approved by that Acquired Fund's shareholders, may still proceed if the other Reorganization is not approved by the other Acquired Fund's shareholders).

Q: Why are the Reorganizations being proposed?

A: On August 11, 2022, Delaware Management Company ("DMC") and abrdrn Inc. entered into a separate agreement (the "Purchase Agreement") pursuant to which abrdrn Inc. will acquire certain assets related to DMC's business of providing investment management services with respect to the assets of each Acquired Fund and certain other registered investment companies (the "Business") if the Reorganizations are approved, and subject to the satisfaction or waiver of certain other conditions. More specifically, under the Purchase Agreement, DMC has agreed to transfer to abrdrn Inc., for a cash payment at the closing of the Asset Transfer (as defined below) and subject to certain exceptions, (i) all right, title and interest of DMC in and to the books and records relating to the Business; (ii) all records required to be maintained to substantiate the track record of the Business; and (iii) all goodwill of the Business as a going concern. Such transfers hereinafter are referred to collectively as the "Asset Transfer."

The Funds are not a party to the Purchase Agreement; however, the completion of the Asset Transfer is subject to certain conditions, including shareholder approval of each Reorganization Agreement for that Fund's Reorganization to proceed. Therefore, if shareholders do not approve the Reorganization Agreements or if the other conditions in the Purchase Agreement are not satisfied or waived, then the Asset Transfer may not be completed, and the Purchase Agreement may be terminated.

Q: What happens if the Proposal is not approved by the Acquired Fund shareholders?

A: Completion of each Reorganization requires both the approval of the respective Reorganization Agreement by the respective Acquired Fund shareholders and approval of the Proposal by the Fund shareholders. However, each Reorganization is not contingent on the approval or consummation of the other Reorganization (i.e., a Reorganization of one of the Acquired Funds, if approved by that Acquired Fund's shareholders, may still proceed if the other Reorganization is not approved by the other Acquired Fund's shareholders). If the issuance of the Fund's common shares is not approved by shareholders of the Fund, then the Reorganization will not be effected and the Fund's common shares will not be issued.

Q: How will the fees and expenses of the Combined Fund compare to those of the Fund?

A: The contractual advisory fee of the Fund is and the Combined Fund would be 1.00% of the respective Fund’s average daily net assets.

If both Reorganizations are consummated or if only one Reorganization is consummated, it is expected that the total annual operating expense ratio for the Combined Fund will be less than the total annual operating expense ratio of the Fund and the net total annual operating expense ratio after reimbursement for the Combined Fund will be the same as the Fund.

The net total annual operating expense ratios of the Fund and, following the consummation of one or both Reorganizations, the net total annual operating expense ratio of the Combined Fund is expected to be as follows:

Current Expense Ratio of the Fund	<i>Pro Forma</i> Combined Fund (DEX into Fund only)	<i>Pro Forma</i> Combined Fund (DDF into Fund only)	<i>Pro Forma</i> Combined Fund (DEX and DDF into Fund)
1.17%	1.17%	1.17%	1.17%

The *pro forma* information for the Combined Fund is as of April 30, 2022. The net total annual operating expense ratio of the Fund and the *pro forma* Combined Fund reflect the application of the 1.16% expense limitation, described below. *Pro forma* Combined Fund fees and expenses are estimated in good faith and are hypothetical. There can be no assurance that future expenses will not increase or that any estimated expense savings will be realized.

Aberdeen Asset Managers Limited (“AAML”), the investment adviser of the Fund, has entered into a written contract (the “Expense Limitation Agreement”) with the Fund that is effective through June 30, 2024. In connection with the Reorganizations, the Expense Limitation Agreement shall be extended through one year from the date of the closing of the Reorganizations, or June 30, 2024, whichever is later. The Expense Limitation Agreement limits the total ordinary operating expenses of the Fund and following the consummation of one or both Reorganizations, the Combined Fund (excluding any leverage costs, interest, taxes, brokerage commissions, and any non-routine expenses), from exceeding 1.16% of the average daily net assets of the Fund on an annualized basis.

AAML may request and receive reimbursement from the Fund or Combined Fund, as applicable, of the advisory fees waived and other expenses reimbursed pursuant to the Expense Limitation Agreement as of a date not more than three years after the date when AAML limited the fees or reimbursed the expenses; provided that the following requirements are met: the reimbursements do not cause the Fund to exceed the lesser of the applicable expense limitation in the contract at the time the fees were limited or expenses are paid or the applicable expense limitation in effect at the time the expenses are being recouped by AAML, and the payment of

such reimbursement is approved by the Board of the Fund on a quarterly basis. Except as provided for in the Expense Limitation Agreement, reimbursement of amounts previously waived or assumed by AAML is not permitted.

Please see “Fees and Expenses” in the Proxy Statement for additional information.

Q: How will the Reorganizations affect the Fund and its shareholders?

A: Each Reorganization is expected to benefit the Fund’s shareholders in a number of important ways. Each Reorganization is expected to provide greater opportunities to realize economies of scale by combining the Fund’s assets with the assets of the Acquired Funds resulting in a larger fund.

Additionally, each Reorganization is expected to help ensure the viability of the Fund by increasing scale, liquidity and marketability of the Fund. Following the consummation of each Reorganization, the total annual operating expense ratio of the Combined Fund is expected to be less than the current total annual operating expense ratio of the Fund.

There can be no guarantee that any anticipated benefits will occur as a result of the Reorganizations. Additionally, among other potential consequences of each Reorganization, portfolio transitioning due to each Reorganization may result in capital gains or losses, which may have federal income tax consequences for shareholders of the Combined Fund. Please see “Board Considerations” in the Proxy Statement for additional information.

Q: Will my rights as a shareholder change as a result of the Reorganizations?

A: No. Your rights as a shareholder will not change as a result of the Reorganizations.

Q: How will the Reorganizations be effected?

A: Assuming the Acquired Funds’ shareholders approve the respective Reorganization and the Fund’s shareholders approve the issuance of Fund common shares, the Acquired Funds will transfer all of their assets to the Fund in exchange for common shares of the Fund (although shareholders may receive cash for fractional shares), and the assumption by the Fund of all or substantially all liabilities of the Acquired Funds.

If a Reorganization is completed, shareholders of the Acquired Funds will become shareholders of the Fund. Holders of common shares of the Acquired Fund will receive newly issued common shares of the Fund, no par value per share, the aggregate net asset value (not the market value) of which will equal the aggregate net asset value (not the market value) of the common shares of the respective Acquired Fund held each Acquired Fund’s shareholders immediately prior to the Reorganization (although shareholders may receive cash for fractional shares).

For purposes of determining an Acquired Fund's net asset value, corporate, sovereign, and convertible fixed income securities are priced at the mean of evaluated bid and asked prices provided by third-party pricing vendors on the valuation date. In contrast, the Fund values such securities at the bid price provided by third-party pricing vendors. If a Reorganization is approved by shareholders, and assuming that each Acquired Fund's holdings at the closing of the Reorganizations are the same as on July 22, 2022, this difference in valuation procedures will have a negative impact on the value of a shareholder's investment immediately after the Reorganizations are consummated. For example, assuming the transfer of the Acquired Funds' portfolio holdings to the Fund, if the Fund's valuation procedures were used to value the Acquired Funds' combined corporate, sovereign, and convertible fixed income security holdings as of July 22, 2022 the value of the Combined Fund's shares is estimated to be reduced by approximately 0.12%.

In addition, for purposes of determining a Fund's net asset value, in certain circumstances, foreign equity securities that trade on a market that closes prior to the Fund's valuation time are valued by applying valuation factors to the last quoted sale price. The Acquired Funds and the Fund differ with respect to the circumstances in which such valuation factors are applied. The impact of this difference on the value of a Combined Fund's investment immediately after the Reorganizations are consummated is uncertain and could be positive or negative depending on market conditions and could be material.

Q: Will the Reorganizations impact Fund distributions to shareholders?

A: The Fund currently pays a monthly distribution of \$0.065 per share. The Combined Fund expects to pay a monthly distribution of \$0.065 per share, which is the same as the current monthly distribution of the Fund.

The Combined Fund intends to make its first distribution to shareholders in the month immediately following the Reorganizations. In addition, the Combined Fund expects to follow the same frequency of payments as the Fund and make monthly distributions to shareholders.

Q: Who will manage the Combined Fund's portfolio?

A: The Combined Fund will be advised by AAML, the Fund's current adviser. Furthermore, the Fund's current portfolio management team will be primarily responsible for the day-to-day management of the Combined Fund's portfolio. No changes are proposed to the Fund's investment objective or strategies.

Q: Will there be any significant portfolio transitioning in connection with the Reorganizations that impacts Fund shareholders?

A: It is anticipated that approximately 30% of DDF's holdings and approximately 30% of DEX's holdings will be sold by such Acquired Fund before the closing of the Reorganizations in order to pay back each Acquired Fund's outstanding

leverage. Following Reorganizations, the Combined Fund expects to realign its portfolio in a manner consistent with its investment strategies and policies, which will be the same as the Fund's strategies and policies. The Combined Fund may not be invested consistent with its investment strategies or the adviser's investment approach while such realignment occurs. The realignment is anticipated to take approximately one week following the closing of the Reorganizations, based on current market conditions and assuming that the Acquired Funds' holdings are the same as they were on May 31, 2022. Sales and purchases of less liquid securities could take longer. Based on the DDF and DEX holdings as of May 31, 2022, the Combined Fund expects to sell approximately 65% and 68% of each Acquired Fund's portfolio, respectively, following the closing of the Reorganizations. Transaction costs (including brokerage commissions, transaction charges and related fees) associated with such sales and purchases made by the Combined Fund after the closing of the Reorganization will be borne by the shareholders of the Combined Fund. If the Reorganization of DEX only was completed on July 18, 2022, the transaction costs anticipated to be incurred in portfolio transitioning are estimated to be approximately \$294,000 (or 10 bps of the Combined Fund's estimated NAV as of July 18, 2022). This breaks down across commissions costs of roughly \$30,000, and spread related costs for fixed income and international securities of approximately \$209,000 and stamp duties/taxes of \$54,000. If the Reorganization of DDF only was completed on July 18, 2022, the transaction costs anticipated to be incurred in portfolio transitioning are estimated to be approximately \$132,000 (or 5 bps of the Combined Fund's estimated NAV as of July 18, 2022). This breaks down across commissions costs of roughly \$21,000, and spread related costs for fixed income and international securities of approximately \$84,000 and stamp duties/taxes of \$27,000. If both Reorganizations were completed on July 18, 2022, the transaction costs anticipated to be incurred in portfolio transitioning are estimated to be approximately \$426,000. The foregoing estimates are subject to change depending on the composition of the portfolio holdings transferred to the Fund at closing and market circumstances when the portfolio transitioning occurs.

Q: Who will pay for the costs associated with the Meeting and each Reorganization?

A: AAML and its affiliates and DMC and its affiliates will bear expenses incurred in connection with the Reorganizations, whether or not a Reorganization is consummated. The expenses of the Reorganizations are estimated to be approximately \$865,000. To the extent there are any transaction costs (including brokerage commissions, transaction charges and related fees) associated with the sales and purchases made in connection with the Reorganizations, these will be borne by the applicable Acquired Fund with respect to the portfolio transitioning conducted before the Reorganizations and borne by the Combined Fund with respect to the portfolio transitioning conducted after the Reorganizations.

Q: Are the Reorganizations expected to be taxable to the respective shareholders of the Fund?

A: No. Each Reorganization is not expected to be a taxable event for shareholders of the Fund. The Reorganization is intended to be treated as a tax-free reorganization for U.S. federal income tax purposes.

The portfolio transitioning discussed above may result in capital gains or losses, which may have federal income tax consequences. For example, if the Reorganization of DEX only was completed on May 31, 2022, it is estimated that approximately \$5.86 million, or \$0.27 per share, in capital losses would have resulted from portfolio transitioning in the Fund following the Reorganization. If the Reorganization of DDF only was completed on May 31, 2022, it is estimated that approximately \$6.99 million, or \$0.37 per share, in capital gains would have resulted from portfolio transitioning in the Fund following the Reorganization. If both Reorganizations were completed on May 31, 2022, it is estimated that approximately \$1.13 million, or \$0.04 per share, in capital gains would have resulted from portfolio transitioning in the Fund following the Reorganizations. As of October 31, 2021, AGD has a capital loss carryforward of \$14,214,753 which could be used to offset the gains estimated to be generated from the sales of securities post-merger from DDF.

The actual tax consequences as a result of portfolio repositioning after the closing of a Reorganization is dependent on the portfolio composition of the relevant Acquired Fund at the time of closing and market conditions. Any net capital gain resulting from the realignment coupled with the results of the Fund's normal operations during the tax year following the close of the Reorganization would be distributed to the shareholder base of the Combined Fund post-Reorganization in connection with the annual distribution requirements under U.S. federal tax laws.

Q: How does the Board of Trustees of the Fund suggest that I vote?

A: The Board of Trustees of the Fund recommends that you vote "FOR" the Proposal.

Q: How do I vote my proxy?

- Provide for Meeting attendees to begin logging into the Meeting at 10:00 am Eastern Time on November 9, 2022, thirty minutes in advance of the Meeting.

If you are a record owner of shares, please have your control number on your proxy card available when you call or include it in your email. You may vote during the Meeting by following the instructions that will be available on the Meeting website during the Meeting. If you hold your shares through an intermediary, such as a bank or broker, as of the Record Date, you must provide a legal proxy from that institution in order to vote your shares at the Meeting. You may forward an email from your intermediary or attach an image of your legal proxy and transmit it via email to AST at attendingameeting@astfinancial.com and you should label the email "Legal Proxy" in the subject line. You may also call 1-800-431-9643 for information on how to obtain directions to be able to register to attend the Meeting.

The Board has fixed the close of business on August 11, 2022, as the Record Date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Shareholders of the Fund as of the Record Date will be entitled at the Meeting to one vote for each share held and a proportionate share of one vote for each fractional share held. As of the Record Date, 12,549,582 shares of the Fund were issued and outstanding.

The common shares of the Fund are listed on the New York Stock Exchange (the "NYSE") under the ticker symbol "AGD" and will continue to be so listed following the Reorganizations. The common shares of the Acquired Funds are listed on the NYSE under the ticker symbols "DEX" and "DDF" for the Delaware Enhanced Global Dividend and Income Fund and the Delaware Investments® Dividend and Income Fund, Inc., respectively and would be delisted from the NYSE following the Reorganizations. Shareholder reports, proxy statements and other information concerning Funds can be inspected at the NYSE.

The Board of Trustees of the Fund believes that the Reorganizations may benefit the Fund and its shareholders, including through economies of scale that could result from the increased total assets of the Fund. The Trustees considered that increased assets of the Fund following the Reorganizations may provide the Fund with additional liquidity and may decrease the total expense ratio of the Fund by spreading fixed expenses over a larger asset base.

After careful consideration, the Board of Trustees of the Fund recommends that you vote "FOR" the Proposal.

PROPOSAL

To approve the issuance of additional common shares of beneficial interest of the Fund in connection with the reorganization of Delaware Enhanced Global Dividend and Income Fund and Delaware Investments® Dividend and Income Fund, Inc., each a closed-end fund, with and into the Fund

General

The proposed Reorganizations seek to combine each Acquired Fund with and into the Fund (together, the “Funds”) to ensure the viability of the Funds, increasing scale, liquidity and marketability. The consolidation of each Acquired Fund with the Fund would be effected pursuant to the respective Agreements and Plans of Reorganization between the Fund and each Acquired Fund (each a “Reorganization Agreement” and, collectively, the “Reorganization Agreements”), and is subject to the approval of each Acquired Fund’s shareholders. Each Reorganization has been approved by the Fund’s Board, but does not require approval by the Fund’s shareholders. Shareholders of the Fund, however, are being asked to approve the Proposal to enable the Fund to issue the shares necessary to complete each Reorganization. Although the Fund will continue its legal existence and operations after each Reorganization, the rules of the NYSE (on which the Fund’s common shares are listed) require the Fund’s shareholders to approve the issuance of additional common shares in connection with each Reorganization.

Following the Reorganizations, shareholders of the Fund will experience an increase in the assets under management and a reduction in the Fund’s total expense ratio. The Reorganizations are expected to benefit the Fund’s shareholders in a number of important ways. The Reorganizations are expected to provide greater opportunities to realize economies of scale by combining the Fund’s assets with the assets of the Acquired Funds resulting in a larger fund.

There are no proposed changes to the current investment objective, strategies, structure or policies of the Fund as a result of the Reorganizations, including the Fund’s monthly distribution policy. The Fund as it would exist after each Reorganization is referred to as the “Combined Fund.”

Subject to shareholder approval of each Reorganization Agreement by the shareholders of the respective Acquired Fund and of the issuance of Fund common shares by the shareholders of the Fund, each Reorganization Agreement provides for:

- the transfer of all of the assets of the Acquired Fund to the Fund, in exchange solely for shares of the Fund (although shareholders will receive cash for fractional shares);
- the assumption by the Fund of all or substantially all liabilities of the Acquired Fund;
- the distribution of common shares of the Fund to the shareholders of the Acquired Fund; and

- the complete liquidation of the Acquired Fund.

It is expected that each Reorganization will occur in the first quarter of 2023.

The aggregate net asset value (not the market value) of Fund common shares received by the shareholders of each Acquired Fund in the Reorganization would equal the aggregate net asset value (not the market value) of the Acquired Funds common shares held immediately prior to each Reorganization (although shareholders may receive cash for fractional shares). **The market value of the common shares of the Fund after the Reorganization may be more or less than the market value of the common shares of the Fund prior to the Reorganization.**

The Reorganization of an Acquired Fund is not contingent on the approval of the other Acquired Fund's shareholders (i.e., a Reorganization of one of the Acquired Funds, if approved by that Acquired Fund's shareholders, may still proceed if the other Reorganization is not approved by the other Acquired Fund's shareholders).

At the closing of each Reorganization, each Reorganization Agreement sets forth that the Acquired Fund assets will be valued in accordance with the Acquired Fund's valuation procedures as approved by the Board of the Acquired Fund. Upon the consummation of the Reorganization, the assets transferred to the Fund will be valued pursuant to the Fund's valuation procedures as approved by the Board of Trustees of the Fund. The valuation procedures for the Acquired Funds, on the one hand, and the Fund, on the other hand, differ in one significant respect. For purposes of determining an Acquired Fund's net asset value, corporate, sovereign, and convertible fixed income securities are priced at the mean of evaluated bid and asked prices provided by third-party pricing vendors on the valuation date. In contrast, the Fund values such securities at the bid price provided by third-party pricing vendors. If a Reorganization is approved by shareholders, and assuming that each Acquired Fund's holdings at the closing of the Reorganizations are the same as on July 22, 2022, this difference in valuation procedures will have a negative impact on the value of a shareholder's investment immediately after the Reorganizations are consummated. For example, assuming the transfer of the Acquired Funds' portfolio holdings to the Fund, if the Fund's valuation procedures were used to value the Acquired Funds' combined corporate, sovereign, and convertible fixed income security holdings as of July 22, 2022 the value of the Combined Fund's shares is estimated to be reduced by approximately 0.12%.

In addition, for purposes of determining a Fund's net asset value, in certain circumstances, foreign equity securities that trade on a market that closes prior to the Fund's valuation time are valued by applying valuation factors to the last quoted sale price. The Acquired Funds and the Fund differ with respect to the circumstances in which such valuation factors are applied. The impact of this difference on the value of a Combined Fund shareholder's investment immediately after the Reorganizations is consummated is uncertain and could be positive or negative depending on market conditions and could be material.

It is anticipated that approximately 30% of DDF's holdings and approximately 30% of DEX's holdings will be sold by such Acquired Fund before the closing of the Reorganization in order to pay back each Acquired Fund's outstanding leverage. Following the Reorganization, the Combined Fund expects to realign its portfolio in a manner consistent with its investment strategies and policies, which will be the same as the Fund's strategies and policies. The Combined Fund may not be invested consistent with its investment strategies or AAML's investment approach while such realignment occurs. The realignment is anticipated to take approximately one week, based on current market conditions and assuming that the Acquired Funds' holdings are the same as they were on May 31, 2022. Sales and purchases of less liquid securities could take longer. Based on the DDF and DEX holdings as of May 31, 2022, the Combined Fund expects to sell approximately 65% and 68% of each Acquired Fund's portfolio, respectively, following the closing of the Reorganizations. To the extent there are any transaction costs (including brokerage commissions, transaction charges and related fees) associated with such sales and purchases, these will be borne by the Combined Fund. The portfolio transitioning may result in capital gains or losses, which may have federal income tax consequences for shareholders of the Combined Fund. For example, if the Reorganization of DEX only was completed on May 31, 2022, it is estimated that approximately \$5.86 million, or \$0.27 per share, in capital losses would have resulted from portfolio transitioning in the Fund following the Reorganization. If the Reorganization of DDF only was completed on May 31, 2022, it is estimated that approximately \$6.99 million, or \$0.37 per share, in capital gains would have resulted from portfolio transitioning in the Fund following the Reorganization. If both Reorganizations were completed on May 31, 2022, it is estimated that approximately \$1.13 million, or \$0.04 per share, in capital gains would have resulted from portfolio transitioning in the Fund following the Reorganizations. As of October 31, 2021, AGD has a capital loss carryforward of \$14,214,753 which could be used to offset the gains estimated to be generated from the sales of securities post-merger from DDF.

The actual tax consequences as a result of portfolio repositioning after the closing of a Reorganization is dependent on the portfolio composition of the relevant Acquired Fund at the time of closing and market conditions. Any net capital gain resulting from the realignment coupled with the results of the Fund's normal operations during the tax year following the close of the Reorganization would be distributed to the shareholder base of the Combined Fund post-Reorganization in connection with the annual distribution requirements under U.S. federal tax laws.

Each Fund is a closed-end management investment company registered under the Investment Company Act of 1940, as amended (the "1940 Act"). DEX is a Delaware statutory trust and a diversified closed-end management investment company. DDF is a Maryland corporation and a diversified closed-end management investment company. The Fund is a Delaware statutory trust and a diversified closed-end management investment company. The Acquired Funds and the Fund have different investment advisers. Delaware Management Company ("DMC") is the investment manager of each Acquired Fund. AAML is the investment adviser of the Fund. The Funds have

similar investment objectives, principal investment strategies and principal risks, with some differences. The investment objectives, principal investment strategies, principal risks and distribution procedures of the Combined Fund will be the same as those of the Fund.

DEX's primary investment objective is to seek current income, with a secondary objective of capital appreciation. DDF's primary investment objective is to seek high current income; capital appreciation is a secondary objective. The Fund's primary investment objective is to seek high current dividend income, more than 50% of which qualifies for the reduced Federal income tax rates created by the Jobs and Growth Tax Relief Reconciliation Act of 2003. The Fund also focuses on long-term growth of capital as a secondary investment objective.

For federal income tax purposes, each Reorganization is intended to be structured as a tax-free transaction.

Board Considerations

The Board requests that, at the Meeting, shareholders of the Fund approve the issuance of additional common shares of the Fund in connection with the Reorganizations.

At its special telephonic meeting held on August 8, 2022, the Board, including a majority of the Trustees who are not "interested persons" of the Fund as that term is defined in the 1940 Act (the "Independent Trustees"), approved the issuance of additional common shares in connection with the Reorganizations and the Reorganization Agreements. In approving the issuance of additional common shares in connection with the Reorganizations and the Reorganization Agreements, the Board determined that the issuance of additional common shares in connection with the Reorganizations is in the best interest of the Fund and its shareholders. The Board considered a number of factors in reaching its determinations, including, but not limited to, the following:

- the representation by AAML that the investment objectives, principal investment strategies, principal risks and distribution procedures of the Combined Fund will be the same as those of the Fund;
- that AAML and abrdn Inc. and their affiliates and DMC and its affiliates will bear expenses incurred in connection with the Reorganizations, whether or not a Reorganization is consummated. To the extent there are any transaction costs (including brokerage commissions, transaction charges and related fees) associated with the sales and purchases made in connection with the Reorganizations, these will be borne by the applicable Acquired Fund with respect to the portfolio transitioning conducted before the Reorganizations and borne by the Combined Fund with respect to the portfolio transitioning conducted after the Reorganizations;

- the potential effect of the Reorganizations on the total annual operating expense ratio of the Combined Fund following the Reorganizations. The Board noted that, following the consummation of the Reorganizations, the total annual operating expense ratio of the Combined Fund is expected to be less than the current total annual operating expense ratio of the Fund;
- that AAML, the investment adviser of the Fund, has entered into a written contract (the “Expense Limitation Agreement”) with the Fund that is effective through June 30, 2024. In connection with the Reorganizations, the Expense Limitation Agreement shall be extended through one year from the date of the closing of the Reorganizations, or June 30, 2024, whichever is later. The Expense Limitation Agreement limits the total ordinary operating expenses of the Fund and following the consummation of one or both Reorganizations, the Combined Fund (excluding any leverage costs, interest, taxes, brokerage commissions, and any non-routine expenses), from exceeding 1.16% of the average daily net assets of the Fund on an annualized basis;
- the differences in valuation policies between the Acquired Fund and the Fund. The Board noted that, at the closing of each Reorganization, each Reorganization Agreement sets forth that the Acquired Fund assets will be valued in accordance with the Acquired Fund’s valuation procedures as approved by the Board of the Acquired Fund. Upon the consummation of the Reorganization, the assets transferred to the Fund will be valued pursuant to the Fund’s valuation procedures as approved by the Board of Trustees of the Fund, and that for purposes of determining an Acquired Fund’s net asset value, corporate, sovereign, and convertible fixed income securities are priced at the mean of evaluated bid and asked prices provided by third-party pricing vendors on the valuation date. In contrast, the Fund values such securities at the bid price provided by third-party pricing vendors. If a Reorganization is approved by shareholders, this difference in valuation procedures will have a negative impact on the value of a shareholder’s investment immediately after the Reorganizations are consummated;
- the existence of a separate agreement between DMC and abrdrn Inc. (the “Purchase Agreement”) pursuant to which abrdrn Inc. will acquire certain assets related to DMC’s business of providing investment management services with respect to the assets of each Acquired Fund and certain other registered investment companies (the “Business”) if the Reorganizations are approved, and satisfaction or waiver of certain other conditions. More specifically, under the Purchase Agreement, DMC has agreed to transfer to abrdrn Inc., for a cash payment at the closing of the Asset Transfer (as defined below) and subject to certain exceptions, (i) all right, title and interest of DMC in and to the books and records relating to the Business; (ii) all records required to be maintained to substantiate the track record of the Business; and (iii) all goodwill of the Business as a going concern; and

- that the Fund would be the accounting and performance survivor of the Reorganization.

The Board's determination to approve the Reorganization Agreements and the issuance of common shares was made on the basis of each Trustee's business judgment after consideration of all the factors taken as a whole with respect to the Fund and its shareholders, although individual Trustees may have placed different weight and assigned different degrees of materiality to various factors.

Information about the Reorganization

Pursuant to each Reorganization Agreement (a form of which is attached as Appendix A to this Proxy Statement), each of the Acquired Funds will transfer all of its assets to the Fund and the Fund will assume all or substantially all liabilities of the respective Acquired Fund in exchange solely for newly issued common shares of the Fund (although shareholders will receive cash for fractional shares), which will be distributed by the Acquired Funds to their shareholders in the form of a liquidating distribution. Fund common shares issued to the Acquired Funds' shareholders will have an aggregate net asset value equal to the aggregate net asset value of the Acquired Funds' outstanding common shares immediately prior to the Reorganization. Each shareholder of the Acquired Funds will receive the number of Fund common shares corresponding to his or her proportionate interest in the common shares of the respective Acquired Fund (although cash may be issued lieu of fractional shares). The Reorganization, together with related acts necessary to consummate the same, is anticipated to occur in the first quarter of 2023 (the "Closing Date") As soon as practicable after the Closing Date, each Acquired Fund will dissolve pursuant to the laws of its respective state of organization.

The distribution of Fund common shares to the Acquired Funds' shareholders will be accomplished by, to the extent that shareholders do not have accounts on the books of the Fund, opening new accounts on the books of the Fund in the names of the shareholders of the Acquired Funds, and transferring to those shareholder accounts Fund common shares. Each newly-opened account on the books of the Fund for the former shareholders of the Acquired Funds will represent the respective *pro rata* number of Fund common shares due to such shareholder.

Outstanding Shares

As of the Record Date, the Fund had 12,549,582 common shares outstanding.

Board Recommendation

The Board recommends that shareholders of the Fund vote "FOR" the Proposal.

TERMS OF THE REORGANIZATION AGREEMENTS

The following is a summary of the significant terms of the Reorganization Agreements. The below discussion applies to the Reorganization Agreements pertaining to DEX and DDF, respectively. A form of Reorganization Agreement is attached as Appendix A to the Proxy Statement.

Calculation of Number of Fund Shares

As of the Effective Time, each Acquired Fund share outstanding immediately prior to the Effective Time shall be converted into Fund shares in an amount equal to the ratio of the net asset value per share of the respective Acquired Fund to the net asset value per share of the Fund. Cash may be issued in lieu of fractional shares. In the event Acquired Fund shareholders would be entitled to receive fractional Fund shares, the Fund's transfer agent will aggregate such fractional shares and sell the resulting whole shares on the exchange on which such shares are listed for the account of all such Acquired Fund shareholders, and each such Acquired Fund shareholder will be entitled to a pro rata share of the proceeds from such sale. With respect to the aggregation and sale of fractional Fund shares, the Fund's transfer agent will act directly on behalf of the Acquired Funds shareholders entitled to receive fractional shares and will accumulate such fractional shares, sell the shares and distribute the cash proceeds net of brokerage commissions, if any, directly to Acquired Funds shareholders entitled to receive the fractional shares (without interest and subject to withholding taxes).

Conditions

Under the terms of each Reorganization Agreement, the Reorganizations are conditioned upon, among other things, approval of the Proposal by shareholders of the respective Acquired Funds and each Fund's receipt of certain routine certificates and legal opinions.

Termination

Each Reorganization Agreement may be terminated (i) by mutual agreement of the parties at any time prior to the Effective Time, if circumstances should develop that, in the opinion of such Board of the Fund and the Board of an Acquired Fund, make proceeding with a Reorganization Agreement inadvisable; (ii) if one party breaches any representation, warranty or agreement contained in the Reorganization Agreements to be performed at or before the Closing Date and it is not cured within 30 days after being provided notice by the non-breaching party; or (iii) if the Agreement referred to in "AGREEMENT BETWEEN DMC AND ABRDN INC." below is validly terminated.

Expenses of the Reorganizations

AAML and abrdn Inc. and their affiliates and DMC and its affiliates will bear expenses incurred in connection with the Reorganizations, whether or not a Reorganization is consummated. The expenses of the Reorganizations are estimated to be \$865,000. To the extent there are any transaction costs (including brokerage commissions,

transaction charges and related fees) associated with the sales and purchases made in connection with the Reorganizations, these will be borne by the applicable Acquired Fund with respect to the portfolio transitioning conducted before the Reorganizations and borne by the Combined Fund with respect to the portfolio transitioning conducted after the Reorganizations.

COMPARISON OF THE FUND AND THE COMBINED FUND

The Combined Fund will be managed by AAML, the Fund's current adviser. Furthermore, the Fund's current portfolio management team will be primarily responsible for the day-to-day management of the Combined Fund's portfolio. Additionally, the investment objectives, principal investment strategies, principal risks and distribution procedures of the Combined Fund will be the same as those of the Fund.

Fees and Expenses

Below is a comparison of the fees and expenses of the Fund before and after the Reorganizations based on the expenses for the fiscal period ended April 30, 2022. *Pro forma* Combined Fund fees and expenses are estimated in good faith and are hypothetical.

Future fees and expenses may be greater or lesser than those indicated below.

- (1) No sales load will be charged in connection with the issuance of Fund common shares as part of the Reorganization. Common shares are not available for purchase from the Fund but may be purchased on the NYSE through a broker-dealer subject to individually negotiated commission rates. Common shares purchased in the secondary market may be subject to brokerage commissions or other charges.
- (2) Shareholders who participate in the Fund's Dividend Reinvestment and Optional Cash Purchase Plan (the "Plan") may be subject to fees on certain transactions. Fees for Computershare Trust Company N.A. (the "Plan Agent") for the handling of the reinvestment of dividends will be paid by the Fund; however, participating shareholders will pay a \$0.02 per share fee incurred in connection with open-market purchases in connection with the reinvestment of dividends, capital gains distributions and voluntary cash payments made by the participant, which will be deducted from the value of the dividend. For optional share purchases, shareholders will also be charged a \$2.50 fee for automatic debits from a checking/savings account, a \$5.00 one-time fee for online bank debit and/or \$5.00 for check. Shareholders will be subject to \$0.12 per share fee and either a \$10.00 fee (for batch orders) or \$25.00 fee (for market orders) for sales of shares held in a dividend reinvestment account. Per share fees include any applicable brokerage commissions the Plan Agent is required to pay.
- (3) The contractual advisory fee of each of the Fund and the Combined Fund is 1.00% of such Fund's average daily net assets.
- (4) For the Fund, the percentage in the table is based on total average borrowings of for the fiscal year ended April 30, 2022 of \$2,000,671.

For the Combined Fund, the percentage in the table is based on estimated total average borrowings for the fiscal year ended April 30, 2022 of 2,000,671 (the same amount of borrowing as the Fund for the period ended April 30, 2022).

There can be no assurances that any Fund will be able to obtain such level of borrowing (or to maintain its current level of borrowing), that the terms under which any Fund borrows will not change, or that any Fund's use of leverage will be profitable.

- (5) AAML, the investment adviser of the Fund, has entered into a written contract (the "Expense Limitation Agreement") with the Fund that is effective through June 30, 2024. In connection with the Reorganizations, the Expense Limitation Agreement shall be extended through one year from the date of the closing of the Reorganizations, or June 30, 2024, whichever is later. The Expense Limitation Agreement limits the total ordinary operating expenses of the Fund and

following the consummation of one or both Reorganizations, the Combined Fund (excluding any leverage costs, interest, taxes, brokerage commissions, and any non-routine expenses), from exceeding 1.16% of the average daily net assets of the Fund on an annualized basis.

Expense Example

The following example illustrates the expenses that a shareholder would pay on a \$1,000 investment that is held for the time periods provided in the table. The example set forth below assumes shares of the Fund were owned as of the completion of each Reorganization and uses a 5% annual rate of return as mandated by SEC regulations.*

	1 Year	3 Years	5 Years	10 Years
Fund	\$12	\$40	\$71	\$158
<i>Pro Forma</i> Combined Fund (DEX into Fund only)	\$12	\$39	\$67	\$149
<i>Pro Forma</i> Combined Fund (DDF into Fund only)	\$12	\$39	\$68	\$150
<i>Pro Forma</i> Combined Fund (DEX and DDF into Fund)	\$12	\$38	\$66	146

* The example should not be considered a representation of future expenses or rate of return and actual Combined Fund expenses may be greater or less than those shown. The example assumes that (i) all dividends and other distributions are reinvested at NAV, (ii) the percentage amounts listed under “Total annual expenses” above remain the same in the years shown and (iii) the expense reimbursement agreement for the Combined Fund is only in effect until a year from the date of the closings of the Reorganizations or June 30, 2024, whichever is later, as described in note (5) above.

Leverage

The Fund currently uses leverage to a moderate extent, in any event, in an amount not to exceed 10% of its total assets. The Fund will use leverage, for investment purposes only when AAML believes that the potential return on additional investments acquired with the proceeds of leverage is likely to exceed the costs incurred in connection with the borrowings. Depending on market conditions, the Fund’s portfolio management team may choose not to use any leverage. Although the use of leverage by a Fund may create an opportunity for increased after-tax total return for the common shares, it also increases market exposure, results in additional risks and can magnify the effect of any losses.

The Fund’s strategies relating to its use of leverage may not be successful, and the Fund’s use of leverage will cause the Fund’s NAV to be more volatile than it would otherwise be. There can be no guarantee that the Fund will leverage its assets or, to the extent the Fund utilizes leverage, what percentage of its assets such leverage will represent.

The Combined Fund anticipates using leverage similarly to the Fund’s use thereof.

As of April 30, 2022, the Fund had aggregate leverage from borrowings as a percentage of its total assets of 4.7%.

If the Reorganization(s) had occurred on April 30, 2022, the leverage ratio for the Combined Fund would have been as follows:

<i>Pro Forma Combined Fund (DEX into the Fund only)</i>	<i>Pro Forma Combined Fund (DDF into the Fund only)</i>	<i>Pro Forma Combined Fund (DEX and DDF into the Fund)</i>
2.5%	2.9%	2.0%

Accounting and Valuation Policies, Impact to the Combined Fund’s NAV

For purposes of determining an Acquired Fund’s net asset value, corporate, sovereign, and convertible fixed income securities are priced at the mean of evaluated bid and asked prices provided by third-party pricing vendors on the valuation date. In contrast, the Fund values such securities at the bid price provided by third-party pricing vendors. If a Reorganization is approved by shareholders, and assuming that each Acquired Fund’s holdings at the closing of the Reorganizations are the same as they were on July 22, 2022, this difference in valuation procedures will have a negative impact on the value of a shareholder’s investment immediately after the Reorganizations are consummated. For example, assuming the transfer of the Acquired Funds’ portfolio holdings to the Fund, if the Fund’s valuation procedures were used to value the Acquired Funds’ combined corporate, sovereign, and convertible fixed income security holdings as of July 22, 2022 the value of the Combined Fund’s shares is estimated to be reduced by approximately 0.12%.

In addition, for purposes of determining a Fund’s net asset value, in certain circumstances, foreign equity securities that trade on a market that closes prior to the Fund’s valuation time are valued by applying valuation factors to the last quoted sale price. The Acquired Funds and the Fund differ with respect to the circumstances in which such valuation factors are applied. The impact of this difference on the value of a Combined Fund’s shareholder’s investment immediately after the Reorganizations are consummated is uncertain and could be positive or negative depending on market conditions and could be material.

ADDITIONAL INFORMATION ABOUT THE COMMON SHARES OF THE FUND

Description of Common Shares to be Issued by the Fund

Shareholders of the Combined Fund will have the same rights as they did as shareholders to the Fund.

The Fund’s Agreement and Declaration of Trust authorizes the Fund to issue an unlimited number of shares, no par value per share. If the Reorganizations are consummated, the Fund will issue common shares to the shareholders of common stock of the Acquired Funds based on the relative per share net asset value of the Fund and the net asset value of the assets of the respective Acquired Funds, in each case as of the date of the Reorganizations. Fund common shares have equal rights with respect to the payment of dividends and the distribution of assets upon dissolution, liquidation

or winding up of the affairs of the Fund. The Fund's common shares, when issued, will be fully paid and non-assessable and have no preemptive, conversion or exchange rights or rights to cumulative voting.

Capitalization

The tables below set forth the capitalization of each Acquired Fund and the Fund as of August 31, 2022, and the *pro forma* capitalization of the Combined Fund as if the Reorganizations had occurred on that date. As shown below, it is anticipated that the NAV of Fund shareholders' shares would decrease due to the valuation differences described in this Proxy Statement and Fund assets would increase. Please see "Accounting and Valuation Policies, Impact to the Combined Fund's NAV" for additional information.

A quorum is constituted by the presence in person or by proxy of shareholders representing a majority of the outstanding shares of the Fund.

Broker Non-Votes and Abstentions

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker holding the shares. If the beneficial owner does not provide voting instructions, the broker can still vote the shares with respect to matters that are considered to be “routine,” but cannot vote the shares with respect to “non-routine” matters. The Proposal is considered “non-routine,” so brokers will not have discretionary voting power with respect to the Proposal, and the Acquired Fund does not expect to receive any broker non-votes.

Abstentions will be included for purposes of determining whether a quorum is present but not be treated as votes cast. Therefore, abstentions will have the same effect as votes “AGAINST” the Proposal.

Adjournments

If quorum is not present at the Meeting, the chair of the Meeting shall have the power to adjourn the Meeting without further notice other than announcement at the Meeting to a date not more than 130 days after the Record Date. At such adjourned meeting at which a quorum shall be present, any business may be transacted which might have been transacted at the meeting as originally notified.

Appraisal Rights

Shareholders do not have dissenters' rights of appraisal in connection with the Proposal.

Vote Required for the Proposal

The Proposal requires the affirmative vote of a majority of shares present in person or represented by proxy and entitled to vote.

INVESTMENT ADVISER, INVESTMENT SUB-ADVISER, ADMINISTRATOR AND SUB-ADMINISTRATOR

AAML, located at 1900 Market Street, Suite 200, Philadelphia, PA 19103, serves as the investment adviser for the Fund. abrdn Inc. serves as administrator to the Fund. State Street Bank & Trust Company, located at 1 Heritage Drive, 3rd Floor, North Quincy, MA 02171, serves as sub-administrator to the Fund.

AGREEMENT BETWEEN DMC AND ABRDN INC.

Delaware Management Company ("DMC") and abrdn Inc. have entered into a separate agreement (the "Purchase Agreement") pursuant to which abrdn Inc. will acquire certain assets related to DMC's business of providing investment management services with respect to the assets of each Acquired Fund and certain other registered investment companies (the "Business") if the Reorganizations are approved, and satisfaction or waiver of certain other conditions. More specifically, under the Purchase Agreement, DMC has agreed to transfer to abrdn Inc., for a cash payment at the closing of the Asset Transfer (as defined below) and subject to certain exceptions, (i) all right, title and interest of DMC in and to the books and records relating to the Business; (ii) all records required to be maintained to substantiate the track record of the Business; and (iii) all goodwill of the Business as a going concern. Such transfers hereinafter are referred to collectively as the "Asset Transfer."

Section 15(f) of the 1940 Act is a non-exclusive safe harbor provision that permits an investment adviser of a registered investment company (or any affiliated persons of the investment adviser) to receive any amount or benefit in connection with a sale of securities of, or a sale of any other interest in, the investment adviser that results in an "assignment" (as defined in the 1940 Act) of an investment advisory contract with such registered investment company, provided that two conditions are satisfied. First, during the three-year period after such transaction, at least 75% of the members of the investment company's board of directors/trustees may not be "interested persons"

(as defined in the 1940 Act) of the investment adviser or its predecessor. Second, an “unfair burden,” as that term is described in Section 15(f), must not be imposed on such registered investment company as a result of such transaction or any express or implied terms, conditions, or understandings relating to such transaction during the two-year period after the date on which any such transaction occurs. The term “unfair burden,” as defined in the 1940 Act, includes any arrangement during the two-year period after the sale whereby the investment adviser (or predecessor or successor adviser), or any “interested person” of the adviser (as defined in the 1940 Act), receives or is entitled to receive any compensation, directly or indirectly, from the investment company or its security holders (other than fees for bona fide investment advisory or other services), or from any person in connection with the purchase or sale of securities or other property to, from or on behalf of the investment company (other than ordinary fees for bona fide principal underwriting services).

DMC intends to qualify for the “safe harbor” provided by Section 15(f), and consequently: (i) for a period of three years after the Closing Date, at least 75% of the trustees of the Combined Fund will not be “interested persons” (as defined in the 1940 Act) of AAML, abrdn Inc. or DMC, and (ii) for a period of two years after the Closing Date, no “unfair burden” as defined in the 1940 Act will be imposed on the Combined Fund as a result of the Reorganizations or any express or implied terms, conditions, or understandings applicable thereto.

THIS AGREEMENT AND PLAN OF REORGANIZATION (the “Agreement”) is made as of [], 2023, by and between abrdn Global Dynamic Dividend Fund, a Delaware statutory trust (the “Acquiring Fund”), and [], a [] (the “Acquired Fund” and, together with the Acquiring Fund, the “Funds”). [Delaware Management Company, a series of Macquarie Investment Management Business Trust, a Delaware statutory trust, joins this Agreement solely for purposes of paragraphs 8.2, 11.1, 11.2 and 11.3 and abrdn Inc., a Delaware corporation registered under the Investment Advisers Act of 1940, joins this Agreement solely for purposes of paragraphs 5.12, 8.2, 11.1, 11.2 and 11.3.]

The reorganization will consist of the transfer of all of the Assets (as defined in paragraph 1.2) of the Acquired Fund to the Acquiring Fund in exchange solely for newly issued common shares of beneficial interest of the Acquiring Fund, no par value per share (the “Acquiring Fund Shares”), the assumption by the Acquiring Fund of Liabilities (as defined in paragraph 1.3) of the Acquired Fund, and the distribution of the Acquiring Fund Shares to the shareholders of the Acquired Fund in exchange for all outstanding Acquired Fund Shares (as defined below) and in complete liquidation of the Acquired Fund, all upon the terms and conditions hereinafter set forth in this Agreement (the “Reorganization”).

WHEREAS, the Acquiring Fund and the Acquired Fund are each registered closed-end management investment companies, and the Acquired Fund owns securities which are assets of the character in which the Acquiring Fund is permitted to invest; and

WHEREAS, the Acquired Fund is authorized to issue its shares of capital stock and the Acquiring Fund is authorized to issue its shares of beneficial interest; and

WHEREAS, the Board of Trustees of the Acquiring Fund and of the Board of Directors of the Acquired Fund have authorized and approved the Reorganization; and

WHEREAS, each of Delaware Management Company, a series of Macquarie Investment Management Business Trust, a Delaware statutory trust and the investment adviser to the Acquired Fund (“Seller”) and abrdn Inc. (“Purchaser”), have entered into a purchase agreement (the “Purchase Agreement”) pursuant to which Purchaser agreed to acquire, and Seller agreed to sell, certain assets relating to the Seller’s business with respect to the Acquired Fund; and

WHEREAS, it is intended that, for United States federal income tax purposes, (i) the transactions contemplated by this Agreement shall qualify as a “reorganization” within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) that the Agreement shall constitute a “plan of reorganization” for purposes of the Code;

NOW, THEREFORE, in consideration of the premises and of the covenants and agreements hereinafter set forth, intending to be legally bound hereby, the parties hereto covenant and agree as follows:

1. THE REORGANIZATION AND FUND TRANSACTIONS

1.1. The Reorganization. Subject to the requisite approvals and other terms and conditions herein set forth and on the basis of the representations and warranties contained herein, at the Effective Time (as defined in paragraph 2.5), the Acquired Fund shall assign, deliver and otherwise transfer the Assets (as defined in paragraph 1.2) of the Acquired Fund to the Acquiring Fund, and the Acquiring Fund shall assume the Liabilities (as defined in paragraph 1.3) of the Acquired Fund. In consideration of the foregoing, at the Effective Time, the Acquiring Fund shall issue Acquiring Fund Shares to the Acquired Fund. The number of Acquiring Fund Shares to be delivered shall be determined as set forth in paragraph 2.3.

1.2. Assets of the Acquired Fund. The assets of the Acquired Fund to be acquired by the Acquiring Fund shall consist of all assets and property that can legally be transferred [whether accrued or contingent, known or unknown], including, without limitation, all cash, cash equivalents, securities, receivables (including securities, interests and dividends receivable), commodities and futures interests, rights to register shares under applicable securities laws, any deferred or prepaid expenses shown as an asset on the books of the Acquired Fund at the Effective Time (as defined in paragraph 2.5), books and records of the Acquired Fund, and any other property owned by the Acquired Fund at the Effective Time (collectively, the “Assets”). For the avoidance of doubt, Assets shall not include any assets or property that cannot be transferred to the Acquiring Fund pursuant to applicable law or regulation.

1.3. Liabilities of the Acquired Fund. The Acquired Fund will use commercially reasonable efforts to discharge all of its known liabilities and obligations prior to the Effective Time consistent with its obligation to continue its operations and to pursue its investment objective and strategies in accordance with the terms of its prospectus or as presented in the Proxy Statement/Prospectus (as defined in paragraph 5.6) in connection with the Reorganization. The Acquiring Fund will assume all or substantially all liabilities of the Acquired Fund whether accrued or contingent, known or unknown (collectively, the “Liabilities”). At and after the Effective Time, the Liabilities of the Acquired Fund shall become and be the liabilities of the Acquiring Fund and may be enforced against the Acquiring Fund to the extent as if the same had been incurred by the Acquiring Fund.

1.4. Distribution of Acquiring Fund Shares. At the Effective Time (or as soon thereafter as is reasonably practicable), the Acquired Fund will distribute the Acquiring Fund Shares received from the Acquiring Fund pursuant to paragraph 1.1 (cash may be distributed in lieu of fractional Acquiring Fund Shares, as set forth in paragraph 2.3), pro rata to the record holders of the shares of the Acquired Fund determined as of the Effective Time (the “Acquired Fund Shareholders”) in

complete liquidation of the Acquired Fund. Such distribution and liquidation will be accomplished by the transfer of the Acquiring Fund Shares then credited to the account of the Acquired Fund on the books of the Acquiring Fund to open accounts on the share records of the Acquiring Fund in the names of the Acquired Fund Shareholders. The aggregate net asset value of the Acquiring Fund Shares to be so credited to Acquired Fund Shareholders (together with any cash distributed to Acquired Fund Shareholders in lieu thereof, pursuant to paragraph 2.3) shall be equal to the aggregate net asset value of the then outstanding shares of beneficial interest of the Acquired Fund (the "Acquired Fund Shares") owned by Acquired Fund Shareholders at the Effective Time. All issued and outstanding shares of the Acquired Fund will be canceled on the books of the Acquired Fund. The Acquiring Fund shall not issue share certificates representing the Acquiring Fund Shares in connection with such exchange.

1.5. Recorded Ownership of Acquiring Fund Shares. Ownership of Acquiring Fund Shares will be shown on the books of the Acquiring Fund's transfer agent.

1.6. Filing Responsibilities of Acquired Fund. Any reporting responsibility of the Acquired Fund, including, but not limited to, the responsibility for filing regulatory reports, tax returns, or other documents with the Securities and Exchange Commission (the "Commission"), the exchange on which the Acquired Fund's shares are listed, any state securities commission, any state corporate registry, and any Federal, state or local tax authorities or any other relevant regulatory authority, is and shall remain the responsibility of the Acquired Fund up to and including the Closing Date (as defined in paragraph 3.1) and such later date as the Acquired Fund's existence is terminated.

1.7. Transfer Taxes. Any transfer taxes payable upon issuance of the Acquiring Fund Shares in a name other than the registered holder of the Acquired Fund Shares on the books of the Acquired Fund as of that time shall, as a condition of such issuance and transfer, be paid by the person to whom such Acquiring Fund Shares are to be issued and transferred.

1.8. Termination. Promptly after the distribution of Acquiring Fund Shares pursuant to paragraph 1.4, the Acquired Fund shall take, in accordance with Maryland law and the Investment Company Act of 1940, as amended (the "1940 Act") all steps as may be necessary or appropriate to effect a complete deregistration, liquidation and dissolution of the Acquired Fund.

2. VALUATION

2.1. Net Asset Value per Acquired Fund Share. The net asset value per Acquired Fund Share shall be computed as of the Effective Time, after the declaration and payment of any dividends and/or other distributions on that date, using the valuation procedures of the Acquired Fund adopted by the Acquired Fund's Board of Directors; provided, however, in the event of any inconsistency, the parties hereto may confer and mutually agree on the valuation.

2.2. Net Asset Value per Acquiring Fund Share. The net asset value per Acquiring Fund Share shall be computed as of the Effective Time, after the declaration and payment of any dividends and/or other distributions on that date, using the valuation procedures of the Acquiring Fund adopted by the Acquiring Fund's Board of Trustees; provided, however, in the event of any inconsistency, the parties hereto may confer and mutually agree on the valuation.

2.3. Calculation of Number of Acquiring Fund Shares. As of the Effective Time, each Acquired Fund Share outstanding immediately prior to the Effective Time shall be converted into Acquiring Fund Shares in an amount equal to the ratio of the net asset value per share of the Acquired Fund determined in accordance with Section 2.1 to the net asset value per share of the Acquiring Fund determined in accordance with Section 2.2. [No fractional Acquiring Fund Shares will be distributed unless such shares are to be held in a Dividend Reinvestment Plan account.] In the event Acquired Fund Shareholders would be entitled to receive fractional Acquiring Fund Shares, the Acquiring Fund's transfer agent will aggregate such fractional shares and sell the resulting whole shares on the exchange on which such shares are listed for the account of all such Acquired Fund Shareholders, and each such Acquired Fund Shareholder will be entitled to a pro rata share of the proceeds from such sale. With respect to the aggregation and sale of fractional Acquiring Fund Shares, the Acquiring Fund's transfer agent will act directly on behalf of the Acquired Fund Shareholders entitled to receive fractional shares and will accumulate such fractional shares, sell the shares and distribute the cash proceeds net of brokerage commissions, if any, directly to Acquired Fund Shareholders entitled to receive the fractional shares (without interest and subject to withholding taxes).

2.4. Effective Time. The Effective Time shall be the time at which the Funds calculate their net asset values as set forth in their respective prospectuses (normally the close of regular trading on the New York Stock Exchange) on the Closing Date (as defined in paragraph 3.1) (the "Effective Time").

3. CLOSING

3.1. Closing. The Reorganization, together with related acts necessary to consummate the same ("Closing"), shall occur at the principal office of the Acquiring Fund or via the electronic exchange of documents on or about February 17, 2023, or such other date or place as an officer the Acquiring Fund and Acquired Fund may agree in writing and after satisfaction or waiver (to the extent permitted by applicable law) of the conditions precedent to the Closing set forth in Section 6 of this Agreement (other than those conditions that by their terms are to be satisfied by actions taken at the Closing, but subject to the satisfaction or, to the extent permitted, waiver of those conditions at the Closing), immediately after the close of regular trading on the New York Stock Exchange (the "Closing Date"). All acts taking place at the Closing shall be deemed to take place simultaneously as of the Effective Time.

3.2. Transfer and Delivery of Assets. The Acquired Fund shall direct The Bank of New York Mellon (“BNY”), as custodian for the Acquired Fund, to deliver, at the Closing, a certificate of an authorized officer stating that: (i) the Assets were delivered in proper form to the Acquiring Fund at the Effective Time, and (ii) all necessary taxes in connection with the delivery of the Assets, including all applicable Federal and state stock transfer stamps, if any, have been paid or provision for payment has been made. The Acquired Fund’s portfolio securities represented by a certificate or other written instrument shall be presented by BNY, on behalf of the Acquired Fund, to State Street Bank and Trust Company (“State Street”), as custodian for the Acquiring Fund. Such presentation shall be made for examination no later than five (5) business days preceding the Effective Time and shall be transferred and delivered by the Acquired Fund as of the Effective Time for the account of the Acquiring Fund duly endorsed in proper form for transfer in such condition as to constitute good delivery thereof. BNY, on behalf of the Acquired Fund, shall deliver to State Street, as custodian of the Acquiring Fund, as of the Effective Time by book entry, in accordance with the customary practices of BNY and of each securities depository, as defined in Rule 17f-4 under the 1940 Act, in which the Assets are deposited, the Assets deposited with such depositories. The cash to be transferred by the Acquired Fund shall be delivered by wire transfer of Federal funds at the Effective Time or by such other manner as State Street, as custodian of the Acquiring Fund, deems appropriate.

3.3. Share Records. The Acquired Fund shall direct Computershare Inc., in its capacity as transfer agent for the Acquired Fund (the “Transfer Agent”), to deliver at the Closing a certificate of an authorized officer stating that its records contain the names and addresses of the Acquired Fund Shareholders and the number and percentage ownership of outstanding Acquired Fund Shares owned by each such Acquired Fund Shareholder immediately prior to the Closing. The Acquiring Fund shall issue and deliver to the Secretary of the Acquired Fund prior to the Effective Time a confirmation evidencing that the appropriate number of Acquiring Fund Shares will be credited to the Acquired Fund at the Effective Time, or provide other evidence satisfactory to the Acquired Fund as of the Effective Time that such Acquiring Fund Shares have been credited to the Acquired Fund’s accounts on the books of the Acquiring Fund.

3.4. Postponement of Effective Time. In the event that at the Effective Time, the primary trading market for portfolio securities of the Acquiring Fund or the Acquired Fund (the “Market”) shall be closed to trading or trading thereupon shall be restricted, or trading or the reporting of trading on such Market or elsewhere shall be disrupted so that, in the mutual judgment of the Board of Directors of the Acquired Fund and the Board of Trustees of the Acquiring Fund, accurate appraisal of the value of the net assets of the Acquired Fund or the Acquiring Fund, respectively, is impracticable, the Effective Time shall be postponed until the first business day, or other mutually agreed business day, after the day when trading shall have been fully resumed and reporting shall have been restored.

3.5. Failure To Deliver Assets. If the Acquired Fund is unable to make delivery pursuant to paragraph 3.2 to the custodian for the Acquiring Fund of any of the Assets of the Acquired Fund for the reason that any of such Assets have not yet been delivered to it by the Acquired Fund's broker, dealer or other counterparty, then, in lieu of such delivery, the Acquired Fund shall deliver, with respect to said Assets, executed copies of an agreement of assignment and due bills executed on behalf of said broker, dealer or other counterparty, together with such other documents as may be required by the Acquiring Fund or its custodian, including brokers' confirmation slips and shall use its reasonable best efforts to deliver any such Assets to the custodian as soon as reasonably practicable. In addition, with respect to any Asset that requires additional documentation by an Asset's issuer or other third party in order to effect a transfer of such Asset, the Acquired Fund will identify each such asset to the Acquiring Fund at least [] days prior to the Closing Date and will engage with the Acquiring Fund to complete such documentation as necessary to transfer such Assets to the Acquiring Fund's custodian as soon as reasonably practicable.

4. REPRESENTATIONS AND WARRANTIES
